LOOK OF LOVE

Benji played Michael Jackson's "Billie Jean" for his girlfriend. "Paris only had eyes for Benji," says an insider. "She had that unmistakable look of love."

Social Hollywood was the hottest club in LA when *In Touch* threw a party on May 22 for Paris Hilton's new MTV show, *Paris Hilton's My New BFF*, produced by Ish Entertainment, which was also celebrating its launch. "It was a lot of fun," says Paris, whose beau, Good Charlotte's Benji Madden, deejayed the star-studded bash. "My family and friends came, and my boyfriend spun. It was just totally hot!"
